

Apprenticeship Program Accreditation

The following fee schedule has been established for apprenticeship program accreditation and maintenance.

Educational Agencies are required to pay all new and re-accreditation fees prior to site visits, and the annual maintenance report fee must be paid prior to the report's due date.

Fee for a new accreditation application requiring a three-person team site visit: \$4,000 per program (subject to change)

Fee for a five-year re-accreditation or verification of accredited program changes requiring a two-person team site visit: \$1,000 per program (subject to change)

Annual Maintenance Report submission: \$200 per report (subject to change)
