Overview of accreditation was added as an additional agenda item.

MOTION:
A motion was passed by Martin Harty and seconded James O’Neill by to approve the agenda as presented.

1. Quorum/Attendance:
The Chair, David Harris confirmed that there was a full quorum.

2. Approval of PACB Minutes 93rd Meeting:
3. Business Arising from Minutes-Director

Action items from the 93rd meeting:

a. PACB annual report - On agenda for today’s meeting
b. Changes made to accreditation process – Manager of Standards and Curriculum to provide an update
c. A response on harmonizing safety training as per Karen’s letter - Sandra will continue to reach out to the Director of Service NL for updates.
d. Update on the Board appointment process to fill new PACB vacancies – Individuals interested are required to apply online through the Independent Appointments Commission (IAC).
e. Enhanced look for certificates – Divisional staff will try a thicker cardstock to see if compatible with the printer. This is an interim measure until the new IT system is in place.

4. PACB Three Year Annual Plan:

- Sandra and Dave had a meeting with Minister Byrne and reviewed priority items for the PACB for the next three years. Feedback from Minister Byrne from recent Forum of Labour Market Ministers meetings indicated that Atlantic Canada is a best practice across the country with harmonization.

Summary of Update on Three Year Plan:

- The deadline for the three year plan is March 17, 2017. The Board will need to develop a new plan by February 17, 2017 and include in the mandate what are the major priorities.
- Documents on the three year activity plan are in the PACB package that was passed out to each member for their viewing. The new report will be drafted with a view of focusing on apprenticeship priorities for the next three years.
- Minister Byrne met with all Board members and brought greetings on behalf of the Department and complimented the apprenticeship program and the Board on how well the members are doing. He looks forward to receiving the Board’s

5. AWS stakeholder consultation

- Since the AWS Program was implemented in 2011 there has been shift in labour market demands. The initial composition of the AWS Program,
and the level of subsidies at each apprenticeship level, was reflective of a strong demand for apprentices and focused on the recruitment of apprentices.

- Feedback from the consultations generally reflected the viewpoint that the composition of the AWS Program should be changed from recruiting to retaining apprentices.
- Overall, feedback from the consultations centred on shifting focus to include third and fourth year apprentices, improving the approval process and including an evaluation component, and improving communications.

6. Request for compulsory certification:

Sandra presented two new requests for compulsory certification: Refrigeration and Air Conditioning Mechanic and Sprinkler System Installer. The current process for assessing applications for compulsory certification was reviewed with the PACB. Board members concurred with the current approach recognizing that this is a harmonization deliverable to be completed by July 2017. Regular updates on the progress of the applications will be provided to Board members.

7. Designated Trainer policy review:

ATCD provided an update which included a jurisdictional scan and two stakeholder consultation sessions. The Newfoundland and Labrador Construction Association (NLCA) requested an additional session as they wanted to include more members. The PACB agreed that ATCD should conduct one additional session with NLCA after which a report will be drafted.
